Business Description

Famari Investment (T) Ltd

The company's principal activity is providing service such as transportation by trucks, handling and transportation of containers, conventional cargo and transportation by special trucks, for in gauge & out gauge cargo.

Our Profile

Famari Investment (T) Ltd. Is a privately owned transportation company founded by Faraj Mbarak Abri. The company first started with a single truck in 1940, in the southern highlands of Tanzania, Iringa. The headquarters is now based in the city of Dar es Salaam with regional branch in Iringa.

The Abri family expanded Famari Investment (T) Ltd. to what it is today – one of the largest, most modern fleets providing truckload and less than truckload services through a network of strategically located service centers in Tanzania, Zambia, Congo and Malawi, Rwanda & Burundi.

Famari Investment (T) Ltd has strived to be an extensive network which now owns a huge number of trucks, enabling the company to call on a massive variety of equipment

to handle virtually any request. All activities carried out are those within the legal category permitted by the United Republic of Tanzania and the countries to which they are to be delivered.

Our Mission

To continue being the number one transporting company with efficiency and a king in transportation solutions.

To have success which is built a foundation of quality service and lasting relationships with customers.
